MXD-1900L-PAN-P (FG5968-06) Portrait Wall Mount Touch Panel MXD-1900L-PAN-L (FG5968-12) Landscape Wall Mount Touch Panel

Overview

The MXD-1900L-PAN / 19.4" Modero X® Series Wall Mount Touch Panel is a premium user interface designed for dedicated room control or scheduling. This elegantly-styled touch panel provides fast and smooth animations and transitions, along with elegant styling that looks great in any setting.

The Modero X Series Touch Panels provide several industry firsts including a beautiful, panoramic capacitive multi-touch screen that provides users access to multiple applications with minimal navigation. It is hardware-ready to support Near Field Communication™ (NFC) and High Frequency RFID (HF RFID) devices and tags to enable secure, reliable authentication and allow personalization of the user experience. The distinctive appearance will complement even the most

sophisticated meeting facilities and homes, with a variety of mounting options for added security and convenience.

Common Applications

- The MXD-1900L-PAN is ideal for boardrooms, conference rooms or auditoriums where a panoramic control surface is needed to provide access to multiple functions simultaneously while remaining elegantly
- In Higher Education, the MXD-1900L-PAN is ideal for lecture halls, auditoriums, performing arts theaters and boardrooms that require extensive control capabilities.
- In residences, it is perfect for main living areas such as kitchens, living rooms, home theaters or home offices where the panoramic control surface can be used to manage systems throughout the house.
- The MXD-1900L-PAN can be used as a scheduling panel for high-end meeting rooms and auditoriums.
- All Modero X Series Wall Mount panels are ideal for reception areas or other gathering places for displaying master calendars and other information.

Features

- Panoramic Control Surface Combined with the new PanTastic UI, the panoramic touch panels take the user experience to a whole new level with an impressive control surface to perform activities much in the same way you use a computer – multi-tasking with dedicated spaces
- Graphic Leaps & Bounds The Modero X Series features intuitive UI functionality including: gesturing, swiping, dynamic reordering and enhanced animation capabilities
- Latest Communication Technologies Supports HD video chat and conferencing using integrated camera and supports Near Field Communication (NFC) and High Frequency RFID (HF RFID). Also supports external phone connections via Bluetooth or USB and HD video streaming
- Perfect From Any Angle Includes In-Plane Switching (IPS), which delivers the widest viewing angles and the most accurate color reproduction on the market
- Enhanced Usability External phone connections via Bluetooth or USB and HD video streaming
- Generous Mounting Options In addition to wall mount, you can mount the 19.4" Modero X Series Landscape Wall/Flush Mount Touch Panel directly to an equipment rack using the optional MXA-RMK-19 Modero X Series Rack Mount Kit (FG5969-61)
